

AI Powered Design **AI**

AI does 50–80% of the design work. Digital file. 100% upfront.

+ Print Ready File **PRINT**

The same design, plus the file a printer can use, prepared by hand. 50% upfront, 50% on completion.

Professional Classical Design **PRO**

Professional design, AI helping underneath (usually about 20%). 50% upfront, 50% on completion.

Design Retainer

PROMO

New Business Jumpstart

S\$1,000

One of each, if you need it: a microsite (up to 4 pages), logo, signage, menu, flyer, EDM, name card, decals, social banners, square poster, shirt. Hosting and domain separate. 100% upfront.

Online Presence Bundle

S\$450 ~~S\$550~~

A 5–12 page website, a .com domain and the first year of hosting. With .sg: S\$500 (usual S\$600). Domain and hosting with Joji.

S\$3,000 for three months buys

S\$4,500 of design credit ~~S\$3,750~~

Every design job at list price, straight from your credit, any method. Use it at your own pace. Used it up early? Start a new three months from the day you pay, or pay list price per job.

- Prices in Singapore dollars. Joji is not GST-registered; prices are final.
- Printing, production, ad spend and third-party licences are separate unless quoted.
- Every job is priced before work starts. Changes stay unlimited within the agreed brief.

- Monthly services are paid 3 months ahead and renew every 3 months. 30 days' written notice to stop.
- Design Retainer credit is not refunded and does not carry past its three months.
- Hosting, domains and maintenance are billed apart from the website build.
